

Rice Storage

Automatically measures out and dispenses the required amount of rice.

An electrically powered storage for rice that automatically dispenses the set amount of rice. The check window (indicator) on the front shows at a glance the amount of rice remaining. Six models are available according to capacity.

FRB7560

| Model | FRB0560 | FRB0660 | FRB7560 | FRB0960 | FRB1275 | FRB0960T |
|--------------------|--|--|--|--|--|--|
| Overall dimensions | 500(W)×600(D)×1150(H)mm | 600(W)×600(D)×1150(H)mm | 750(W)×600(D)×1150(H)mm | 900(W)×600(D)×1150(H)mm | 1200(W)×750(D)×1150(H)mm | 900(W)×600(D)×800(H)mm |
| Capacity | 120kg | 140kg | 180kg | 210kg | 310kg | 80kg |
| Power supply | 1P100V | 1P100V | 1P100V | 1P100V | 1P100V | 1P100V |
| Power consumption | 0.030kW | 0.030kW | 0.030kW | 0.030kW | 0.030kW | 0.030kW |
| Case material | Stainless steel plate | Stainless steel plate | Stainless steel plate | Stainless steel plate | Stainless steel plate | Stainless steel plate |
| Adjustable legs | Stainless steel plate ±15mm adjustable | Stainless steel plate ±15mm adjustable | Stainless steel plate ±15mm adjustable | Stainless steel plate ±15mm adjustable | Stainless steel plate ±15mm adjustable | Stainless steel plate ±15mm adjustable |
| Weight | 75kg | 78kg | 85kg | 90kg | 110kg | 82kg |

Rice Washer

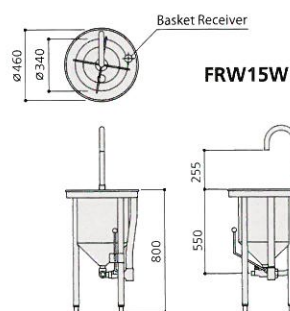

A rice washer for quick, automatic rice rinsing.

Rice washing is no longer a chore. Water and rice flow together through the pipes of this rice washer for clean removal of impurities and floating bodies. Jetting bubbles generated by water flow protects the rice from damage. Retrieving the rice is as simple as placing a colander on top of the drum.

FRW15W

FRW22W

| Model | FRW15W | FRW22W |
|----------------------|--|--|
| Overall dimensions | ∅460(D)×800(H)mm | ∅570(D)×800(H)mm |
| Capacity | 15kg | 22kg |
| Case material | Stainless steel plate | Stainless steel plate |
| Adjustable legs | Stainless steel plate ±15mm adjustable | Stainless steel plate ±15mm adjustable |
| Weight | 13kg | 15kg |
| Adjustable hydraulic | Above 0.1MPa | Above 0.1MPa |
